CARROLLTON HIGH SCHOOL

CARROLLTON, MICHIGAN

FOREWORD

This yearbook is a treasure chest containing precious memories. It holds the diamonds of excellent instructors, the gold and silver of sports, the black onyx of ambition, the white pearl of honesty and decency, and most important, the red ruby of fire and determination.

Guard it with your life.

Its contents can never again be matched, not even to the end of time. The riches and wealth it contains belongs to you and you alone.

Now, examine these contents and inspect each and every valuable jewel and fine memory, for when you close once move the lid to this treasure chest of forgotten events, sorrowful times, glorious occasions, and never to be forgotten friends, it can't be long before you are again compelled to open the lid . . . to remember.

FACULTY

. . . INSPIRED, DEDICATED,
RESOURCEFUL

ADMINISTRATION

To The Senior Class of 1965:

Congratulations to each on your approaching graduation.

Each of you has a great part in controlling your destiny if the desire for achievement of what the future proposes, security, growth, recognition, opportunity, self-respect and happiness is behind you.

Each of you as typical young Americans is endowed with "America's Most Cherished Gift," the opportunity to rise by your own initiative and ingenuity to prominence, and in the effort making a better life for all mankind.

To each, I extend best wishes for success, happiness and good fortune in the years ahead.

Sincerely

C. Murphy

Charles Murphy
Superintendent

To the Students of Carrollton High School and especially the Class of 1965:

Indeed, it again gives me great honor to be allowed the opportunity to assess this past year via the Novera. During the course of the year, many important milestones have been passed which helped to demonstrate that this school is now a complete high school by all standards; a school that can hold its own with any other school of this state.

Certainly, a major segment of these achievements can be attributed to the senior class of 1965. School leadership was thrust into their hands this year after three long years and they have "carried the ball well." The class has given active leadership to the rest of the school. We only hope now that our juniors of this year - next year's seniors - measure up equally well.
